Designated Counties

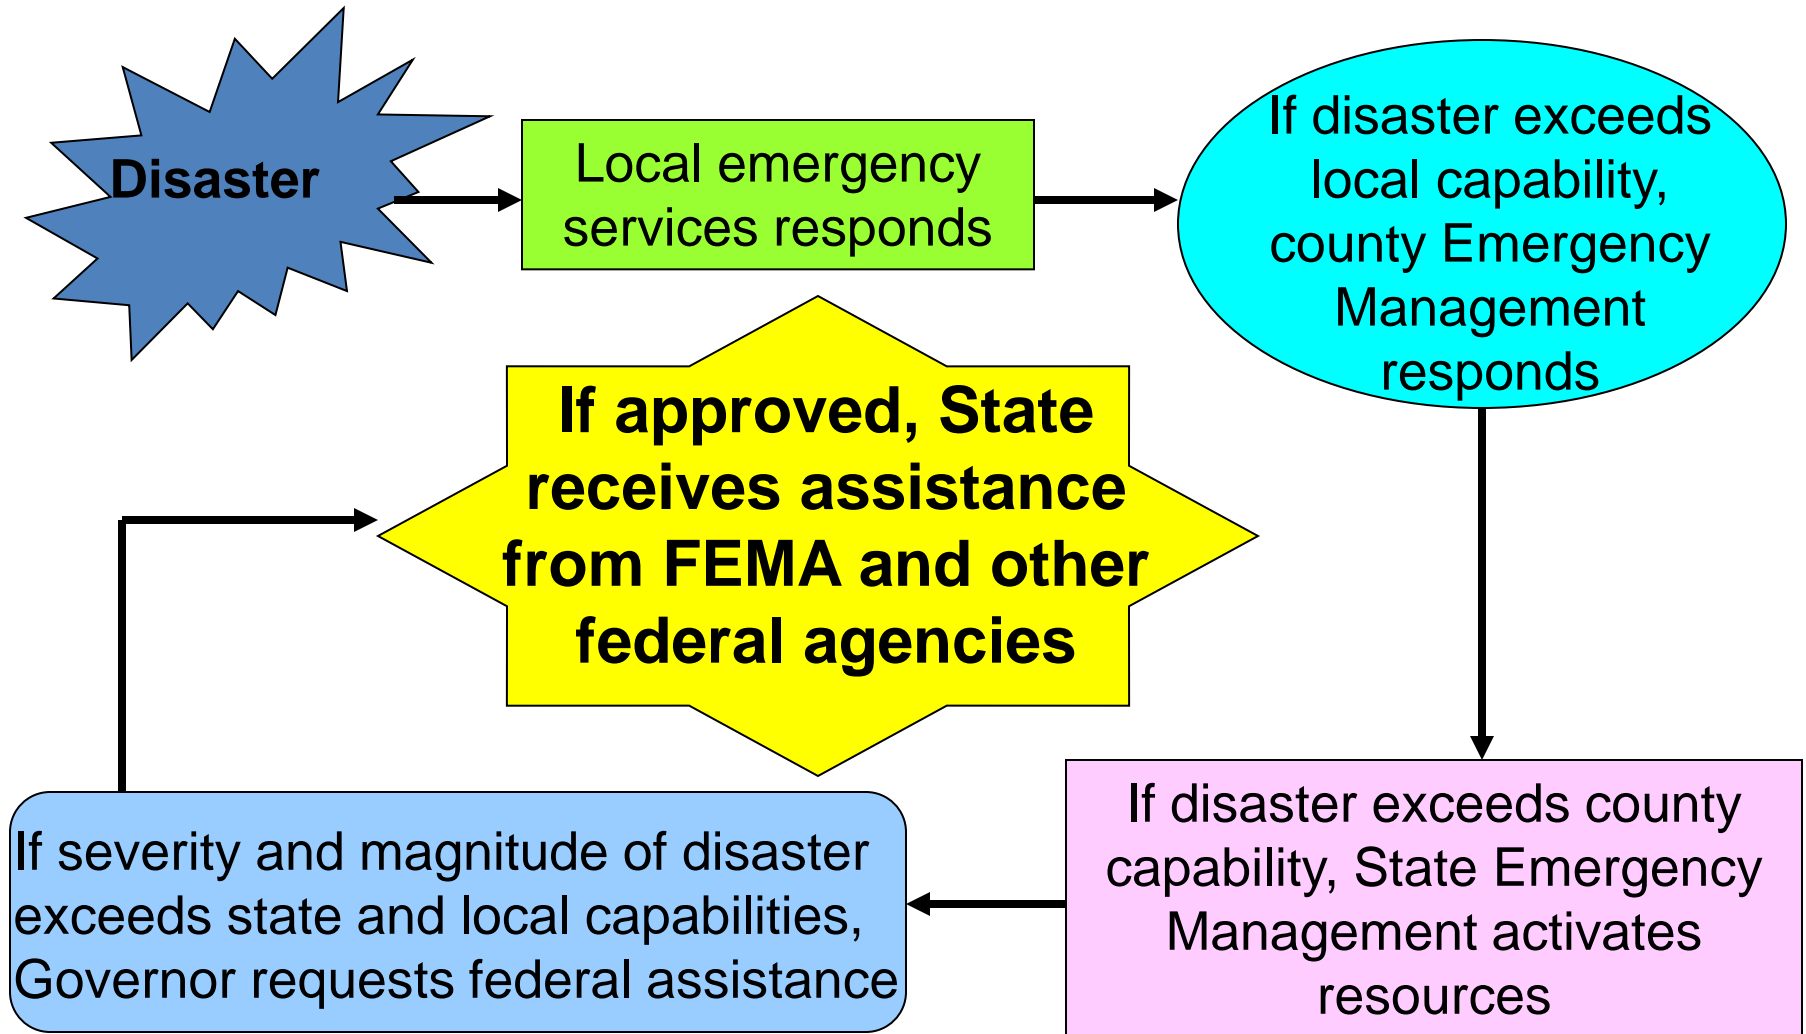

- PA Only (2)
- IA Only (1)
- IA/PA (34)

Road to Recovery Since Hurricane Floyd

- A Critical Incident Mgmt System
- Contracts for disaster goods and services to include Recovery staff
- The CRES SOG
- Interoperable Communications – VIPER
- Urban Search and Rescue Teams
- Swiftwater Rescue Teams
- HazMat Regional Response Teams
- Medical Assistance Teams
- Mobile Pharmacies
- Helo-Aquatic Rescue Teams
- Public Health Regional Surveillance Teams
- A Logistics Section
- Warehouses
- NCNG Force Packaging and mission ready packaging in other disciplines
- Intrastate mutual aid as a fundamental resource multiplier
- Interstate mutual Aid – EMAC improved
- Animal Response Teams
- Companion Animal Mobile Equipment Trailers
- Planning for fuel shortage
- Licensed Care Facility planning
- A Disaster Recovery Section
- North Carolina Disaster Recovery Guide
www.osbm.state.nc.us/disaster
- Accurate flood maps
- A Geospatial & Technology mgmt. Section

How Our System Works When Disaster Strikes

Road to Recovery Hurricane Irene Funding

- OSBM provided funding for response resources
 - Governor requested and received pre-landfall Emergency Declaration
 - Recovery Strategy – Apply for initial Major Declaration for Individual Assistance (7 Counties) and subsequently add
 - Currently 36 Counties declared for Public Assistance and 35 Counties for Individual Assistance
 - FEMA funds 75% (\$96,267,915.42); State funds 25% (\$28,520,980.96)
- * (One IA program 100% federally-funded^{7d})

Road to Recovery Agriculture vs. Stafford Act

Agriculture Disaster Recovery Programs are *separate* from
Stafford Act (FEMA) Recovery Programs

Road to Recovery

Achieving Greater Efficiency

- Use the Existing System
- Evaluate need and Determine Gaps/Unmet Needs
- Re-instate the Disaster Recovery Task Force with Representatives from all Recovery Support Functions
- Currently Meeting Weekly on Thursdays at 10 a.m.
- Need to Report Back to the Governor/Legislature
- Realistic/Methodical Approach to any Supplemental Programs

Road to Recovery Supplemental Programs

In Hurricane Floyd and in 2004 with Hurricanes Frances and Ivan, the State of North Carolina has Implemented Additional/Supplemental Recovery Programs:

- Disaster Housing Assistance
- Business Loans
- Volunteer and Donations Management
- Farm/Agriculture Support
- Solid and Hazardous Waste Clean-up
- Private Roads and Bridges Assistance
